SUBJECT: 2010 Delegate Education Seminar, May 11 - 14

Dear Company Delegate:

On behalf of your Executive Board, I'd like to thank you for all your union involvement and efforts throughout the year with the objective of making the FDNY a safer and more financially rewarding workplace for all NYC Firefighters. Towards assisting you in achieving these ends, the 2010 Delegate Education Seminar promises to be an excellent one. We will touch base on many interesting issues of concern. Knowledgeable guest speakers will make impactful presentations, including personalized workshops—where you choose topics that interest you the most. When added to the Taj Majal's renowned gourmet meals, wonderful people, prizes and great event festivities—you are sure to have an unforgettable stay! But hurry and make your reservations early (by March 31st) to secure your discounted cost of \$75 per Delegate for the whole 4 day, 3 night trip—including all meals!

*Due to limited room availability and Taj Mahal Policy, Delegates rooming together must pay with one \$150 check and register on one form together. Seminar registration, hotel room reservations and payment are all made simultaneously by sending your check to the UFA with one of the following Registration forms: Rooming Alone, With Room-mate, or With Spouse. **Submit only one form.** If you are rooming with another Delegate or Alternate, you must both register on one form. Do not send in two forms. Send in one form with both names and one check for \$150 (or \$250 if with spouse). ☞ See the back of this page for complete info.*

If this is your first Delegate Education Seminar, you can familiarize yourself by reviewing last year's agenda and guide book on the UFA website at www.UFANYC.org by clicking on Delegate Seminar from the home page. You can also check out this year's latest notices. But most importantly, keep in mind that the UFA can only accept your discounted registration by check (not by phone). *After March 31st you'll need to make your room reservation by credit card direct with the Taj Mahal at the **full-price per-night rate**—if rooms are still available.*

Hurry! Return your registration form in the prepaid envelope ASAP and save—and we'll look forward to having you join us for an enjoyable, educational and very inexpensive stay! If you have any questions at all, feel free to call me or my assistant Denise.

Fraternally,
